We are a DGR School – all donations are tax deductible.

### Important Dates

Monday 2 March - Public Holiday

Tuesday 17 March (6:30 pm) – School Board meeting

Thursday 9 April – Last day of Term 1

Monday 27 April – Anzac Day holiday

Tuesday 28 April- Students commence Term 2

11 May - 22 May – In-term Swimming lessons for students in PP to Year 6

Welcome to a new school year. We hope that all our families had a relaxing and enjoyable break. The students have enjoyed telling us about all of the exciting things they did during the holidays. (By the look of it – many were obviously also busy growing!)

This year we have 14 new students and 1 new teacher join us. As most of the new faces were children who had never been at school before it was natural to see some tears (from parents and children!). Luckily these dried up very quickly as everyone became engaged in exciting activities.

Thank you to our families for the way you have prepared your children. It makes such a difference when they know what to expect and have all their equipment ready to start.

*Sha Giordani is the new teacher in Room 3.*

## Parent Handbook

By now you will all have received copies of the 2020 Parent Handbook. Please read it and keep it handy as it will outline most of the information you will need for the year. Importantly, it also highlights the 2020 Pupil Free Days to help with your forward planning.

## School Improvements

Parents will have noticed some improvements that were carried out during the holidays. The carpet in C1 was replaced and each play area is now boasting a couple of brightly painted pavement activities. These are getting lots of use during break times but are also being incorporated into learning activities and daily fitness sessions.

Less noticeable improvements include installation of padding on the shade poles and electrical rewiring to encase cords into safer conduit systems.

Looking around our bright and modern facilities it is easy to forget that this time last year we were in the midst of major building works!

## Payment of Voluntary Contributions and Charges

Thank you to those parents who have already paid for their voluntary contributions and charges through Ziggies when purchasing your child's personal items.

For those of you who are still to pay, you can do so by cash in the front office or by direct deposit into our school account.

If paying directly into our account please include your child's surname and reason for payment in the reference line. (eg Miller, contributions)

Creaney Education Support Centre

BSB 016 495 Account No. 1989 26107

This contribution is important to the school as the money is used to purchase technology, art and communication resources.

## Nut Free School

Please remember that we are a Nut-Free School. We recognise that some families will need to adjust what snacks they send with their children and we do appreciate your efforts. As you will understand, contamination from even a small amount of nut can have serious consequences for a child with an allergy.

Kind regards,  
Cat Marcoolyn
