Important Dates
9 am, Monday 3rd August – Parent Network Meeting
Monday 3rd August – PALS Indigenous Art Workshop
9:15 am, Thursday 13th August – C1 Assembly (Note: date change due to student absence)
9:15 am, Thursday 20th August – Room 3 Assembly
9:15 am, Thursday 3rd September – Room 2 Assembly

Congratulations Kristen!
Kristen from C1 is a keen and talented horse-rider. She recently competed in ‘Assisted Trotting’ and ‘English Equitation’ events in an Equestrian competition and was awarded Second and Third ribbons. Well done Kristen – you look fabulous up on that horse. What a wonderful outfit!

Woolworths Earn and Learn
Creaney ESC is participating in the Woolworths Earn and Learn program again this year. In 2013 we were very successful and were rewarded with lots of lovely equipment for the school. We aren’t asking families to change their shopping patterns but if you do shop at Woolworths please collect the stickers and send them in to school. We have a collection box in the front office for completed sticker sheets but are also happy to accept loose stickers. (Many of our students love the task of attaching them to the sheet). Although we are a small school, we did very well last time due to so many of our families organising for their friends and networks to also collect on our behalf. The range of equipment from which we can choose is extensive with lots of items particularly suitable for our students.
Woolworths are awarding one sticker for every $10 spent between 15th July and the 8th of September.

Disabled Children’s Foundation Raffle
Thank you to everyone who sold or bought tickets in the raffle. Our Centre’s share of the proceeds amounted to $1558. Stay tuned for information on how it is to be used!
The raffle is being drawn on Monday – it would be wonderful if someone we knew won!
Parent Network Meeting
All parents are invited to the next Parent Network Meeting at 9 am on Monday 3rd August. Tabbatha (Mitchell’s mum) has offered to help coordinate these meetings and is interested in finding out if parents are interested in organising specific information sessions as well as the informal catch ups.

Oddysea
Fourteen of our students were lucky enough to participate in the Oddysea program at the end of last term. Oddysea is a highly interactive, multi-sensory theatre program especially designed for students with disabilities and presented by the Sensorium Theatre Group. Our students took part in two preparatory workshops which introduced them to the characters and music from the show while taking part in a range of sensory and art activities. The following week they all attended the performance which used a variety of sights, sounds and experiences to engage all of their senses. Feedback from students, staff and parents was highly positive and it is hoped that a different group of students can participate in the program each year.
