19th -25th September- Creaney ESC Art Display at Joondalup Library
23rd September – School Photos
25th September – Last day of Term 3
12:30pm, Parent social lunch, Kingsley Tavern

C1 Assembly

Last week we were treated to a very entertaining assembly from C1. The students had all chosen a country to research. Using puppets that they had made, they shared interesting information about that country and performed a puppet dance to appropriate music. Kristen even performed her traditional

Afghani dance without a puppet – and when we saw her hand movements we could see why a sock puppet would not have done it justice!

Christian welcomes us all.

Audience members were invited up to help sing and sign the Rainbow Song.

Congratulations

Congratulations to the following students who received merit certificates at the last two assemblies.

Room 1- Zac and Lara

Room 2 – Jade, Mitchell and Harrison

Room 3 – Joseph and Brock

C1 – Kristen and Christian

C2 – Elijah and Michelle

Aussie of the Month

Very special congratulations to Jayme and Hayden who were both presented with Aussie of the Month badges. Both boys have beautiful manners and are great representatives for our school.

Keep those stickers coming!

Thank you to all of our families (and friends) who are collecting Woolworths Earn and Learn stickers. It is great to see our box slowly filling up.

Many of our students really enjoy the task of attaching the stickers to the collection sheets and then posting them in to the box.

This weekend Woolworths are giving double stickers so we are hoping for a very full box on Monday.

Deacon adds his completed sheet.

Around the World in Room 2

The students in Room 2 have been learning about a different country each week. They have investigated the costumes, food, art, flags and music of Scotland, Ireland, Australia and Japan so far.

Creating the beautiful Japanese scrolls entailed several processes. Here the students blow ink to create the cherry blossom branches.

The 'Geishas' show off their finished scrolls.

Room 3's Assembly

It has been a very lucky fortnight as we have been treated to two assemblies in that time. Room 3 shared a charming Farm themed assembly with us yesterday.

Joseph tells us about his favourite things at school.

Anthony finds the right head for his scarecrow.

Peering out from his scarecrow hat, Brock has us all smiling at his list of favourite school appliances!

Hayden sings so confidently that it looked like a performance worthy of Tamworth!

As the only girl in the class, Sacha was happy to be a glamorous scarecrow.

Disabled Children's Raffle

We had a lovely surprise this week when a cheque arrived from the Disabled Children's Foundation. The Board of the foundation has given us an extra \$500 on top of the \$1,558 we raised through ticket sales, bringing our total amount to \$2,058. This is a significant amount for our Centre and something we would not have been able to achieve through other fundraising efforts. Creaney ESC is extremely grateful to the foundation for their support of Education Support Schools in allowing us this opportunity. Big thanks also go to our families who sold so many tickets.

At this stage we are planning to use the money to extend our bike and scooter equipment.

School Council Meeting

The next meeting of the School Council will be held at 7pm on Monday 14th September. All parents are welcome to attend. It is a good opportunity to find out what is going on at our Centre and give us your input into future directions.

More Straw Blowing Art

Room 2 were not the only class blowing through straws to create Art. The students in C1 were having lots of fun blowing bubbles in dye to print from. I am sure their parents are relieved to see how carefully their clothes were protected!

Ella concentrates on blowing up a big amount of bubbles while Elijah shows us the finished product.

Fundraising Catalogues

By now all families should have received catalogues from the Chalk and Parent Direct Toy Fundraiser. This is an initiative organised by Tabatha Farrant who has been impressed by the range of toys and equipment available and knew many parents would appreciate the chance to do some shopping from the convenience of home. There is no pressure to buy but if you do, the Centre will receive 20% of total orders. Orders need to be returned to school by Thursday 10th September.

Our Senior Mentors Chloe and Christian prepare the catalogues for distribution.

Kind Regards,

Catriona.Marcoolyn@education.wa.edu.au
