Newsletter 8

12 June, 2015

Important Dates

9:15 am, Thursday 18th June – C2 Assembly
Monday 22nd June (7 pm) – School Council Meeting
Friday 3rd July – Last day of Term 2
Tuesday 21 July – Students return for Term 3

Senior Mentors

Congratulations to Christian and Chloe who were both presented with Senior Mentor badges this week. Christian and Chloe will be taking on leadership tasks within the Centre. We know they will both do a fantastic job and will be great role models for the younger students.

Room 1 Assembly

We were treated to a wonderful assembly this week when Room 1 students shared some of the songs and dances they have been learning. The students all looked as cute as buttons in their Gummy bear costumes. I am always impressed by how willing some, even very young, students can be to talk on the microphone. Well done to Room 1 – the first assembly item for the year was fantastic!

It's hard not to be nervous while waiting for the performance to begin.

Merit Certificates

Congratulations to the following students who were presented with Honour Certificates at Monday's assembly.

| | |
|--------|--------------------|
| Room 1 | Ronin Isaac |
| Room 2 | Ned Mitchell |
| Room 3 | Anthony |
| C1 | Chloe |
| C2 | Michael Jasmine |

Aussie of the Month

Congratulations also go to Zac from Room 1 who was the first person to be chosen as Aussie of the Month for 2015. Zac was chosen for his 'mateship' and his willingness to have a go! Well done Zac, wear your badge with pride!

Raffle Tickets

Thank you to all our families who have been returning their ticket butts and monies. Please remember that we need them returned by Friday 19th June. If you are not able to sell the complete book, we are happy for you to return unsold tickets for us to reallocate.

Parent Network

Parents from Creaney ESC are meeting for lunch at 12 noon on Friday 26th June at the Kingsley Tavern. All parents and carers are welcome. Please RSVP to Aasta on 0419 946 702 for booking purposes.

Collecting children during school hours:

It is a Department of Education requirement that all visitors to school report to the front office and sign in. If you are collecting or dropping off your child at times other than the usual, could you please ensure that you sign them in at reception? This is particularly important during break times as we need to know that children have returned and are now under our duty of care.

McCreaney

The Room 3 students continue to do a fantastic job of catering for all the hungry ESC tummies on Monday lunchtime. This term they are selling hamburgers for \$2:50. Mr Mac tells me that they make the patties themselves with top quality ingredients (which include grated vegetables!) and offer onions, salad and sauce in the burger. They certainly smell delicious and as the number of orders increase each week, it is clear that the word is spreading!

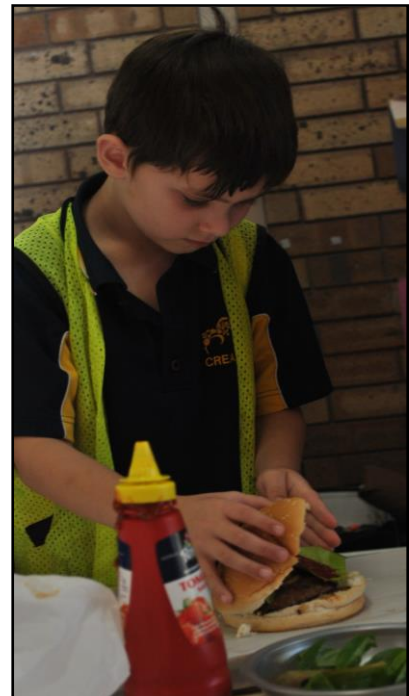

All students have received order forms but it is also fine to send money in an envelope noting your child's preferences.

Anthony is a dab hand at frying the onions with only a little squirt of oil.

Hayden then constructs the burger and wraps it.

Soon it is ready for Sacha to deliver to a grateful Mitchell.

Belridge Information Session:

Don't forget that Belridge Secondary ESC is holding an information afternoon tea for parents considering a high school placement for their child. It will be held at the school (17 Gwendoline Drive, Beldon) on Wednesday 22nd July at 12:45 pm. If you are interested please RSVP to 9408 8050 before the 20th July.

These sessions are always very useful and I would encourage parents with students in Years 4 to 6 to attend. Our students have a range of options for high school and it is never too early to begin considering them.

North Metro Education Support Conference

The first day of term 3 (20th July) is a Pupil Free Day. Students will not attend school on this day as staff will be attending the North Metro Education Support Conference. The conference looks like being a highly stimulating and informative day for us all. There are over 37 different sessions and topics being delivered at four different venues. We are all looking forward to a highly productive day that will see benefits for our students as we incorporate new skills and understandings to our practice back at school.

Slime time in C2

I am always amazed by the exciting activities planned for our students. C2 were making slime one afternoon last week. The students did a wonderful job of reading their recipes, measuring out the ingredients and stirring it all into shape. Best of all was choosing their own colour for the slime and then playing with it.

Ms Andrews demonstrates how the finished product will look.

Ella carefully measures out the exact amount of water.

Jada stirs the water into the borax.

Elijah enjoys seeing how far his green slime can stretch.

Burbridge Open Day

Burbridge School is holding an open day this Monday June 15th. Visit the school between 9:30 am and midday to see the Secondary Pathways programs and how they prepare their students for adulthood. The school is located at 46 Burbridge Ave, Koondoola.

Don't forget C2's assembly on Thursday 18th June at 9:15 am. We look forward to seeing lots of parents and friends there.

Kind Regards,

Ca Marcolyn
