- 18<sup>th</sup> July – Students commence Term 3
- 28<sup>th</sup> July – C1 Assembly in Room 5
- 11<sup>th</sup> August – C7 Assembly in Room 5

### Room 3 Assembly

We enjoyed another delightful assembly as Room 3 shared the story of “Who Sank the Boat” with us. The students were so engaged and the props they had made were very impressive. Well done Room 3! Who would have guessed that it was the mouse?!

Congratulations to:

Sebastian  
Cooper  
Orlando  
Riley  
Jada  
Sawyer

who all received Merit Certificates at the assembly.

Special congratulations to our newest AUSSIE OF THE MONTH, Ned.

Ned is pictured here listening very attentively as Tab Farrant reads out his citation. Well done Ned!

**Raffle tickets**

Thank you to all our families for selling raffle tickets. 100% of each ticket sold is returned to Creaney ESC so we are very grateful to the Disabled Children's Foundation for organising the raffle and including us.

Please return all ticket butts and money by the end of term.

If you are having trouble selling tickets, or would prefer not to, please return your book to the front office and we will reallocate it.

**Belridge SHS Ed. Support Centre**

Don't forget that Belridge ESC is hosting a Parent Information Session on Tuesday 13<sup>th</sup> June from 12:30 – 1:45pm. You are invited to enjoy some afternoon tea while hearing about the programs that Belridge offers for students with special needs in High School. To rsvp for the session, call 9408 8050 or email [Belridge.sesc@education.wa.edu.au](mailto:Belridge.sesc@education.wa.edu.au) by the 9<sup>th</sup> of June.

**Butler Performing Arts Day**

We have been invited to participate in the North Metro Performing Arts Day at Butler College on 14<sup>th</sup> June. 13 students from C-Block have been busily practising their dance act in readiness for the 'big day'! Unfortunately the venue is too small to allow any parent audience so we will be organising a special performance at school, so parents of those involved can get the chance to 'beam with pride'. You will be notified of the date early next week.

As you can see from this photo there has been lots of fun and laughter during rehearsals.

## Play Development

Playing is an important part of our students' development. It is through play they can practise many social and life skills, including co-operation and communication.

We are always very excited to see the students occupying themselves productively during recess and lunch times. All the appealing play set-ups and equipment obviously helps!

### **Meet the School Board**

Over the next series of newsletters we will be featuring the parent representatives on the School Board. This will allow our new parents the opportunity to put a face to a name.

The first face we are introducing is Tabitha Farrant.

Tab is Chair of the School Board and played a key role in our successful application for Independent Public School status. Despite her busy commitments, Tab always finds time to support the Centre, particularly our very active Parent Network. Tab is pictured here with her lovely family, including Mitchell who is in C2.

### **School Board Report**

The CESC School Board has come together for its second meeting since we became an Independent Public School. We farewelled and thanked Lindsay Ranese for her time and valuable input to our school council over the past few years and welcomed a new parent member, Kane Moyle, to the School Board.

We are currently transitioning from a school council to a school board which has involved the generation of new documents such as Terms of Reference, a Code of Conduct and a new Business Plan. Board members are busy undertaking board training modules to bring us up to speed on the workings and role of a school board. The board is composed of Cat Marcoolyn, Karin Green and Carol Williamson from the staff group. The parent community is represented by

Tabitha Farrant, Kerry Hapgood-Strickland, Joy Glass, Felicity Austin and Kane Moyle. The board also has two community members, Sarah Michell from W.A.D.S.A (WA Disabled Sports Association) and Rona Dean from Rocky Bay.

Parents are always welcome to come and observe School Board meetings and learn about some of the governance and planning that directs the strategic direction of the school. The meeting scheduled for November will be an Open Meeting.

*Tabitha Farrant (Board Chair)*

### **Sensory Friendly Flicks**

The next Sensory Friendly session is to be a showing of Cars 3 at 10 am on Sunday 25<sup>th</sup> June at Grand Cinemas, Warwick. Tickets are \$8:50 (children under 3 free) and can be purchased online or at the box office. Companion cards are accepted. For further information contact Kylie Mason on 0405 296 297 or at [sensoryflicks@hotmail.com](mailto:sensoryflicks@hotmail.com).

### **Picking your child up**

For the safety of all of our children we need to hand them directly to a parent or approved caregiver. If there is a change to the pick up arrangements for your child, it is very important that we are notified beforehand. This can be done simply through your child's diary or by a quick call to the office. Parents are also able to complete a handover form which lists alternative pick up arrangements for their child. Please see Brooke at the front office.

### **Stop Press**

Congratulations to Jayde Moyle who safely delivered her third son Daniel on Wednesday morning. Jayde is now on Parental Leave. Jodanne Walker (formerly Creer) will be returning to Creaney ESC next week to take over Jayde's role as a part-time Support Teacher.
