Principals' Pen

As you all know, we were lucky enough to have Kirsten Dunn come and join our team this term to step in as the Deputy Principal. I am very pleased to announce that Kirsten was successful in winning the Permanent Deputy Principal position for 2024 and beyond. Kirsten has already met many of you, and I am sure you will get to know her well and see what value she adds to the Creaney ESC team. Her numerous years of experience in Ed Support Centres and in leadership has been a huge support for me this term and we are all very excited for the year ahead.

Thank you to all the parents and families who were able to attend our Christmas concert this year, it was such a wonderful showcase of our students, and it was so evident to see just how much they all enjoyed themselves. We hope you all enjoyed the concert as much as we did. Next week, we look forward to celebrating our Year 6 graduating students.

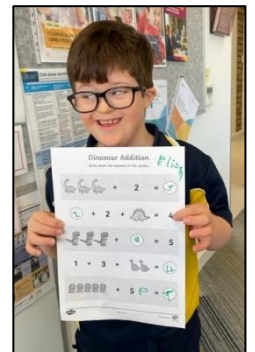

Please note that the parent connect group is organising a playdate catch up next week Friday, the 8th of December, in the ESC playground. This is always a great way to connect with other families and give the children a chance to play and hang out some more in the afternoon.

You should all have received the new class lists for next year and the information pack for 2024, including the letter about the transition morning on the Wednesday the 6th of December. This is an important opportunity for the students to see their new classes and meet their new teachers and EAs, and we will support this process with a social story for those students who need it.

Wonderful Workers

Check out our superstar workers! Seb D, Bradley, Elira, Orlando and Elijah, well done. We are very proud of you.

Creaney ESC Christmas Concert

Wow, what a show! We were all treated to a wonderful Christmas Concert on Wednesday morning by our superstar students. It was truly amazing to see how much they all loved performing up on stage and judging by the beaming smiles, it was clear they all enjoyed themselves. A huge thank you to our Teachers and EA's who have put so much time and effort into making the concert such a success. Our students are the stars of the show, but we all know how much hard work goes on behind the scenes. Well done, everyone!

We have been advised by Kapture Photography that all **Portraits and Class Groups** taken this year are still available for purchase, but will be removed from their website at the end of Term 4.
