13 September -	Sensorium
20 September -	Last Day of Term
Term 4	
8 October -	Tuesday – First Day of Term 4

Wonderful Workers

Thank you, Flynn, Calvin, Tammy, Kane, Toby and Ani for bringing us your wonderful work, we are very proud of you all. What superstars and check out those proud smiles.

Suspicious Activity

If you notice any suspicious activity on school grounds after school is closed, please contact Security on 9264 4771 or the Police on 131 444.

Room 2

Room 2 have started the term with a bang and straight into learning new things. We end the weeks with our 'Fun Friday' activities where we take a more hands-on approach with our learning. During our life skills program we are learning to make toast. A few things we cover while making toast include following a toast schedule; making choices on which spread we would like; trying new spreads and using our ALS mats to enhance our communication. It's a great start to our day.

Mrs Green and Ms Zapata Teachers

Room 2 Assembly

We were treated to a marvellous assembly from our fantastic Room 2 superstars. They performed '5 Little Speckled Frogs' and we all had such a fun time watching them up on stage. Well done,

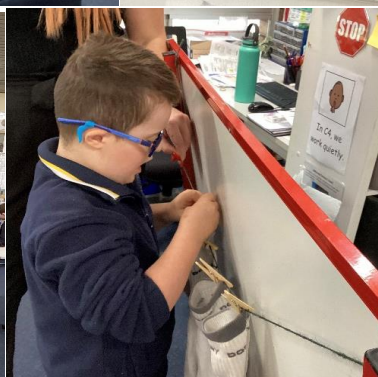

C4 and C3

In C4 this term we have introduced the Crunch'n'Sip program. The students have thoroughly enjoyed taking turns to wash and prepare the fruits and vegetables for sharing with their classmates. We have had vibrant discussions about the texture, colour and sound of the foods we are tasting, as well as the importance of drinking water as part of a healthy lifestyle.

Students from C3 & C4 are joining together this term and exploring different skills including Life Skills in C4 with Miss Welsford, Drumbeat with Mrs Walker & Social Skills with our School Chaplain, Skye. The Life Skills we have explored so far is knowing the difference between clean & dirty and the process of washing dirty clothes in a tub of water and the steps of washing them in a washing machine.

Book Week

Book week 2024 will be celebrated from 19 - 23 August in week 6. The theme this year is, "Reading is Magic...." Book week is a time to motivate kids to read more and reduce the attention they give distractors such as TV shows, video games, and social media. This year we are doing our Book Character dress up day on Wednesday the 21st of August and it would be wonderful to see all our students come to school in character for the day. We can't wait to see what they choose to wear!

To coincide with this, a Bookfair will be held in the school library during week 5, from Monday 12 – Friday 16 August at 8am and again at 3pm. A range of books and fun activities will be available for purchase on the day, or you can order through Larrikin House: larrikinhouse.com.au

Student Transport Assistance Program – Apply Now for 2025

Please note School Bus Services endeavours to process Transport Assistance Applications within 10 business days from the date the application is received by School Bus Services.

School Bus Services receives a high number of applications for Transport Assistance prior to the end of the year which results in longer than expected processing times. We ask for your patience and understanding during these busy times.

If your application is submitted after 15th December for the following school year, your application may not be processed until the first few weeks of Term the following year.

Apply here: <https://www.schoolbuses.wa.gov.au>

Please note:

- If your child is changing schools or residential address, a new application is to be submitted.
- Each child requires their own application for school bus services.

2025 Intentions

We cannot believe it is already that time of year to start thinking about your intentions for 2025. Next week a letter will come home asking all families to give this some thought and to please let us know if your child will not be returning to CESC for 2025. As you know, places for enrolment are very limited and we want to be able to offer any places available to those wishing to apply.
