Wonderful Workers

C1 have been learning about different countries this term. These are our awesome pictures of gondolas along the canals in Italy. Everyone did such a great job outlining the buildings and using pasta pieces to fill in the gondola!

Thank you for showing us your wonderful work, Hassain and Kade.

School P&C

Creaney Primary School and Creaney ESC are joining forces once again and are keen to have a combined P&C for the whole school. We are looking forward to building on this relationship as well as we have seen a much greater uptake on our ESC students being more involved in school wide activities and events. If you are interested in knowing more, please email storm.breen@education.wa.edu.au. They are always looking for new parents to join the P&C so I would love to encourage you to do so if you are interested. We will be sending out P&C updates via email and seesaw when they come through to us so keep an eye out for these as well.

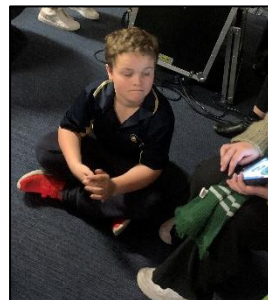

School Board Open Meeting

We would like to extend a warm invitation to any parents who might want to consider joining the School Board next year. We may have a couple of 'seats' available for nomination, and so we would like to encourage you to come along for the opening evening next term to see what it is all about, ask questions of current Board members and then you can choose to stay for the meeting to get a taste of how it all runs, or leave early once you have had your questions answered. Please note the date; Tuesday 12 November, starting at 6:30 pm in the staffroom. Looking forward to seeing some new faces. Please email storm.breen@education.wa.edu.au if you have any questions.

Book Week

We celebrated Book Week during week 6 of this term, starting on Monday 19 August with our parade being a joint event with the Primary School. It was wonderful to see so many staff and students dressing up and getting into the spirit of the day! We had a tremendous amount of fun. Let's see if you can recognise some of our staff members in their dress-up finery?

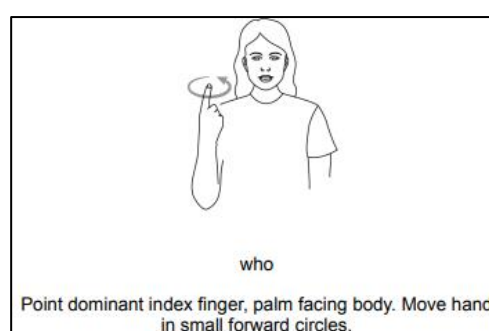

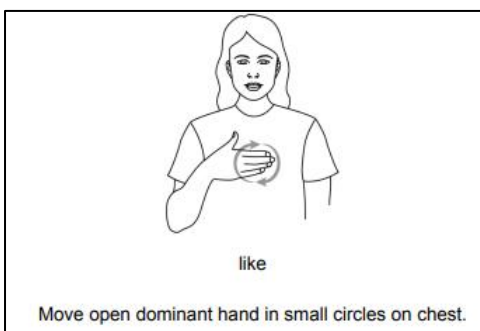

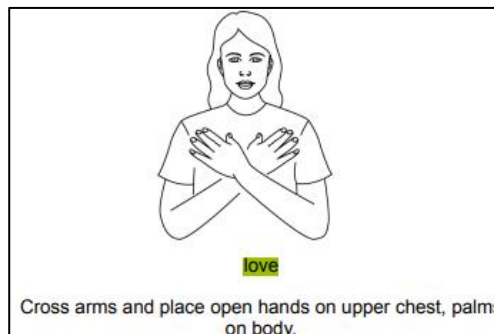

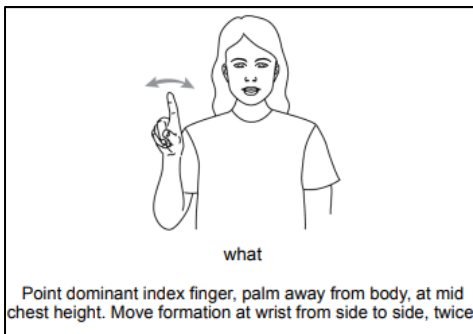

We absolutely love to see the friendships and interaction between students here at Creaney ESC. Anastasia and Ojus have struck up a lovely friendship and enjoy playtime together. It is wonderful to see how happy they are having lots of fun!

Key Word Sign

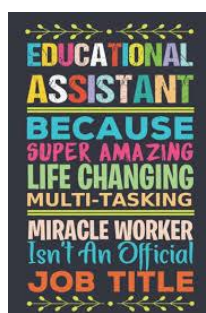

Our Key Word Signs for this fortnight are:

Like, Love, What, Who.

EA Appreciation Day

Last week we celebrated our wonderful team of Education Assistants, with a morning tea and thank you gift. We all know how hard they work and how devoted to caring for our students they are. We are very lucky to have such an amazing team of dedicated and caring people. Thank you!

Student Transport Assistance Program – Apply Now for 2025

Please note School Bus Services endeavours to process Transport Assistance Applications within 10 business days from the date the application is received by School Bus Services.

School Bus Services receives a high number of applications for Transport Assistance prior to the end of the year which results in longer than expected processing times. We ask for your patience and understanding during these busy times.

If your application is submitted after 15th December for the following school year, your application may not be processed until the first few weeks of Term the following year.

Apply here: <https://www.schoolbuses.wa.gov.au>

Please note:

- If your child is changing schools or residential address, a new application is to be submitted.
- Each child requires their own application for school bus services.

Save your seat!

2025 School Bus Transport Assistance

- Will your child be enrolled in an educational support school or centre in 2025?

Apply before November 15, 2024 at [schoolbuses.wa.gov.au](https://www.schoolbuses.wa.gov.au)

Djilba

Djilba is the season from August to September. It is the time of the second rains. During this season, the days begin to become warmer and the nights are still cooler, but the rain is slowing. The people collected plant roots and hunted emu, kangaroo, possums and bandicoot. This is the start of the massive flowering explosion that happens in the South West. This starts with the yellow flowering plants such as the Acacias. Also colours that are around at this time of year are creams, combined with some vivid and striking blues.
