Sensorium

We have been lucky enough to have had Sensorium Theatre bring us the wonderful story of 'Wombat Stew' as a fabulous and interactive incursion, that classes have had the opportunity to attend and immerse themselves in. Everyone has had a marvellous time, seeing the story unfold on the 'stage'.

Childhood Dementia Day

Wednesday 18th September was Childhood Dementia Day. To raise awareness about this very rare condition, students across Creaney ESC joined in the "Face it" campaign, by using face paint and stickers to decorate their faces. The students absolutely loved participating in the messy fun and our faces definitely struck-up a conversation! Thank you to all the staff and students who participated and for your efforts in spreading awareness about Childhood Dementia.

A special thanks to Jodanne Walker for her extraordinary face painting skills and to Nicole Jamieson (Toby's mum) for her continued advocacy.

ESNN Junior Sports Day

We had wonderful sunshine for the ESNN Junior Sports Carnival yesterday and we were the host school! The ESNN Sports Day is always a big highlight for our community. Staff love to see the students so involved and especially love seeing how proud all our families are – not just for their own, but for each other's children. It was wonderful seeing the students integrate this way and they all had a great time, either running in their races or watching their classmates running and cheering them along. We had a number of students make it onto the podium as place getters and they couldn't have been happier with themselves. We are all extremely proud of all the students and how well they coped with the day.

We finished the races by having a boogie on the track with our friends – what a fun way to wrap up term 3.

A big 'thank you' too for all of the yummy baked goods we received for our Bake Sale. We managed to raise more than \$200 which will help to subsidise Year 6 Adventure week in term 4.

School Board Open Meeting

We would like to extend a warm invitation to any parents who might want to consider joining the School Board next year. We may have a couple of 'seats' available for nomination, and so we would like to encourage you to come along for the opening evening next term to see what it is all about, ask questions of current Board members and then you can choose to stay for the meeting to get a taste of how it all runs, or leave early once you have had your questions answered. Please note the date; Tuesday 12 November, starting at 6:30 pm in the staffroom. Looking forward to seeing some new faces. Please email storm.breen@education.wa.edu.au if you have any questions.

iLeague School Holiday Camp Registration
