Wonderful Workers

Thank you for showing us your wonderful work, Mason, Isaac, Jesse and Jamyang. We love your happy smiles, and we are very proud of you all.

Welcome to our new student!

We are very excited to welcome our new student, Yamin and his family to our Creaney ESC community. Yamin has come to join Room 2 students and teachers this term and he has already settled in beautifully. He is such a sweet little man and has enjoyed meeting Mrs Green and playing with our Mr Potato Head toys.

Welcome, Yamin. We are all very happy to have you here at Creaney ESC.

C2 Art

We have been exploring printmaking in Art. We have had a go at a range of mono printing and collagraph printing techniques. In the last 3 weeks of term 3 we had a go at screen printing. Everyone has really enjoyed this process and some beautiful artworks have been created. Amazing effort C2.

Room 1 Art

In room 1 this term we have been using shapes to make art. We started with shape collages and have progressed to shape printing. The students have been amazing at following directions to replicate a design but have also loved using their own expression to create. Such fun and creativity, great work room 1!

School Board Open Meeting

We would like to extend a warm invitation to any parents who might want to consider joining the School Board next year. We may have a couple of 'seats' available for nomination, and so we would like to encourage you to come along for the opening evening this term to see what it is all about, ask questions of current Board members and then you can choose to stay for the meeting to get a taste of how it all runs, or leave early once you have had your questions answered. Please note the date; **Tuesday 12 November**, starting at 6:30 pm in the staffroom. Looking forward to seeing some new faces. Please email storm.breen@education.wa.edu.au if you have any questions or require any further information.
