### Important Dates

15 November - **COLOUR RUN!!**  
 27 November - **ESC Christmas Concert – 11.30am**  
 28 November - **P & C Meeting – 7.30pm**  
 5 December - **ESC Year 6 Graduation 9.30am**  
 12 December - **Last Day of Term 4**  
**2025**  
**First day back for Term 1 2025 – Wednesday 5<sup>th</sup> February**

### **Principals Pen**

Parents of Year 6 students, please note that the ESC Graduation Ceremony will be held at 9.30am on Thursday 5th December. There is a shared morning tea for the graduating students and their families in the staffroom following the ceremony so please do plan to stay around for this.

Excitement is building as the classes practise for this year's Christmas Concert. The Christmas Concert will start at 11:30am in the school hall and we would love to see as many of you there as possible. We do ask that you do not come into the school until 11:15 as there will still be both Primary school and ESC students out playing. If you choose to take your child home with you after the concert, please make sure you see the classroom teacher and sign them out at the front office.

This year we had another opportunity to celebrate a few of our amazing staff, for the incredible jobs that they do, at the WAESPAA Awards night held at the Burswood on Swan. We want to say a huge congratulations to Karin Green, Tracy Clarke, Kylee Fallon and Adele Whitehead. Thank you for everything you do for CESC and our amazing students.

### **Beldon ESNN Sports Carnival**

What a wonderful day we all had at Beldon for the ESNN sports carnival. Our students represented Creaney ESC beautifully, showed fantastic sportsmanship and had an absolute blast. Lots of ribbons were pinned to chests and seeing their big smiles and happy laughs really made our day – go Creaney ESC!!

## LEGO League 2024

Once again, Creaney ESC proudly participated in the Annual Lego League competition alongside other schools from the ESNN and ESSN networks, sponsored by Google. Select students from C-Block represented Creaney, showcasing their creativity and hard work in Lego builds they had crafted. These sessions fostered a collaborative environment where students developed important team-building skills.

This year's challenge encouraged students to use technology to support individuals with special needs in exploring their passions. In Mrs Turner's group, students designed an inclusive playground equipped with technologies that assist users in accessing and enjoying various activities. Meanwhile, Mr Grogan's group created a model zoo to cater to someone with a passion for photography. This build featured a specially designed car to transport a wheelchair user to a ferris wheel, providing an elevated view of the entire zoo.

It was inspiring to watch our students present their builds to peers from other schools and participate in a variety of Lego challenges set up around the room.

We look forward to attending again next year!

Mr Grogan  
Teacher

## School Bus Services Reminder

For Transport Assistance for 2025, application forms must be submitted to SBS via the School Bus Services website [www.schoolbuses.wa.gov.au](http://www.schoolbuses.wa.gov.au) before 15<sup>th</sup> December 2024. Families **do not** need to reapply if there are **no** changes to their current circumstances or changes to their current school.

Please note:

- If your child is changing schools or residential address, a new application is to be submitted.
- Each child requires their own application for school bus services.

## P&C Update
