12 December - **Last Day of Term 4 and A special visit at 11:30am!**
2025
First day back for Term 1 2025 – Wednesday 5th February

COLOUR RUN!!

What fun we had at the colour run, joining in the bubbly, colourful fun with our friends from the Primary School! We all looked like walking rainbows once we had finished and some of us didn't want to leave. To top it off, as a school, we helped to raise an amazing \$11,149. Go Creaney!

Room 1 artists

What a beautiful display of artwork from our wonderful Room 1 students. The students were asked to pick their favourite work to display, and we think they chose very well. Pop into admin to have a look.

Creaney ESC Christmas Concert

What a wonderful highlight for the year. The staff and students all worked so hard and put on another magical Christmas Concert. It was just incredible to see each and every child shine on stage and perform their role with confidence and enjoyment. Thank you to all of the families and friends who were able to make it on the day to support the children and as always, to our wonderful staff for all of the hard work that has gone into making the concert such a success.

Outdoor Classroom Day - Science

All things 'Science' was the name of the game for our Outdoor Classroom Day this term. We all certainly enjoyed conducting all sorts of different experiments. We particularly liked making 'volcanoes' using a mint mento dropped into a bottle of coke, what an explosion it made! We also loved making Bi-carb of soda propelled 'boats'. We loved watching them zoom across the water with lots of fizzy bubbles helping to push the boat along.

Kapture – School Photos reminder

School photos are still available on the Kapture website using the school code: **P6VKFA**. Kapture will be removing these from their website at the end of the term and they will no longer be available to purchase.

Year 6 Graduation

Year 6 Graduation Parents of Year 6 students, please note that the ESC Graduation Ceremony will be held at 9.30am on Thursday 5th December. There is a shared morning tea for the graduating students and their families in the staffroom following the ceremony so please do plan to stay around for this.

P&C Update

Canteen:

Opening days - Monday, Thursday and Friday

P&C Meeting:

Come join us and help raise vital funds for your school. Next meeting:
Thursday Week 8 - 28th November

COLOUR EXPLOSION

As a school, we raised an amazing \$11,149. This is such a fantastic amount and we're so proud of our Creaney community and because of our wonderful sponsors, this all goes back to the school.

Year 6 2025 fundraising:

Come and enjoy an Icy Pole Wednesday lunchtime and Friday after school just outside the Hall.

CHRISTMAS DECORATIONS

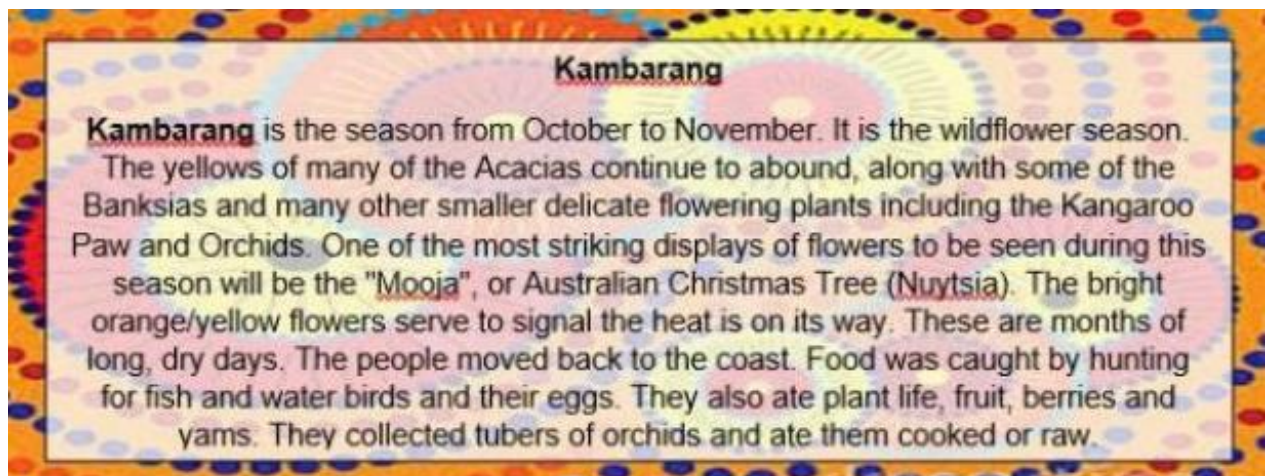

We have some beautiful Creaney Christmas decorations for sale in reception.
Cost: \$5 cash

CONTACT US:

Please feel free to drop us a line at pccreaney@gmail.com 😊

Suspicious Activity

If you notice any suspicious activity on school grounds after school is closed, please contact Security on 9264 4771 or the Police on 131 444.

Kambarang

Kambarang is the season from October to November. It is the wildflower season. The yellows of many of the Acacias continue to abound, along with some of the Banksias and many other smaller delicate flowering plants including the Kangaroo Paw and Orchids. One of the most striking displays of flowers to be seen during this season will be the "Mooja", or Australian Christmas Tree (*Nuytsia*). The bright orange/yellow flowers serve to signal the heat is on its way. These are months of long, dry days. The people moved back to the coast. Food was caught by hunting for fish and water birds and their eggs. They also ate plant life, fruit, berries and yams. They collected tubers of orchids and ate them cooked or raw.
