<b>26 September -</b>	Last day of term
<b>Term 4</b>	
<b>14 October -</b>	Tuesday – First day of Term 4

### Good workers

We have had so many Wonderful Workers come in already this term to show off some very clever work. Thank you, Max, Nate and Dakota, for bringing us your wonderful work. A big well done to Lezandri too, she showed us some fantastic independent drawing. We are very proud of you all and think you are totally awesome!

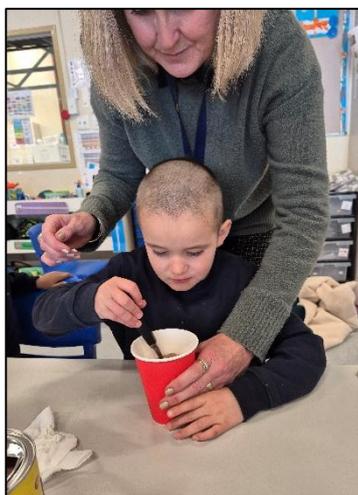

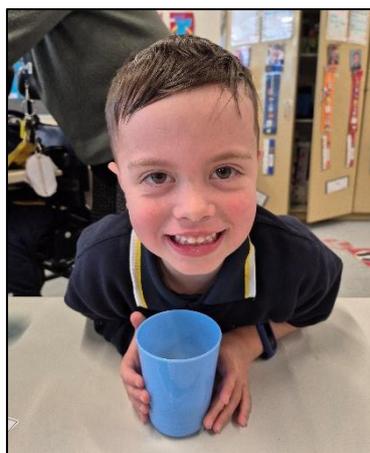

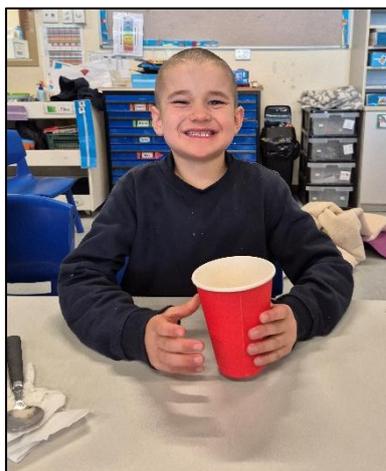

### Principals Note

What a fantastic start to Term 3. Even though it has been very chilly, we have managed to get outside and enjoy the sunshine this week. We have started our school planning for 2026, thank you to families who have let us know of any changes in enrolment circumstances for the upcoming year. It is also time when our year 6 students are finding out about their acceptance into high schools. We will begin working on transition plans and visits towards the end of this term and into term 4. Please contact myself or Kirsten Dunn if you want to discuss the transition process for your child. Kirsten will also be reaching out to our year 5 student's parents in the upcoming weeks to arrange a morning meeting to discuss high school options and the processes for secondary enrolments. Watch this space 😊

## Room 2 Design Technology

In Room 2 this term in our Design Technology sessions centre around Food and Fiber production. We are learning about where different foods come from focusing on a different food each week. We started the term with much excitement learning about where milk comes from. Together we looked at books and videos about milk production and listened to songs too before completing a sequencing activity. The most fun however, was getting to use milk to make a milkshake!! We could choose from either chocolate or strawberry Quick to spoon into our cup of milk and stir, stir, stir. Everybody used their senses to explore this and almost everybody had a taste too. There will be more learning and cooking fun...next week we are learning about where honey comes from and making honey on toast, yum.

Room 2 Teachers

## Kickability Program Kicks Off with Enthusiasm

Following the successful visit from the Fremantle Dockers and WA All Abilities Football, our senior students have commenced a three-week program with *Kickability*. This inclusive initiative is designed to provide all students with the opportunity to engage in the fundamental skills of football, regardless of ability.

The first session took place last week and was met with great enthusiasm and participation from our students. It was a fantastic start to what promises to be a rewarding and engaging experience.

We look forward to seeing what the Kickability team will introduce in the coming weeks, as they continue to inspire and empower our students through sport.

## Creaney is a Waste Wise School! 🌍

At Creaney, we are committed to being mindful of our environmental impact by reducing, reusing, and recycling wherever possible.

As part of our ongoing sustainability efforts, last Friday we were excited to host a visit from **WasteSorted Schools**. They conducted a **Waste Audit** with our senior students, diving into our general waste bins to discover exactly what we're throwing away—and how we can do better!

It was an eye-opening (and surprisingly fun!) experience that helped us identify areas for improvement in our waste habits.

A big thank you to **Aoife from WasteSorted Schools** and the **City of Joondalup representatives** who supported us during the audit and provided valuable guidance on our next steps.

This is just the beginning of our journey toward a greener future. **Watch this space** for more exciting updates on how Creaney is taking action to help protect our planet!

## Book Week

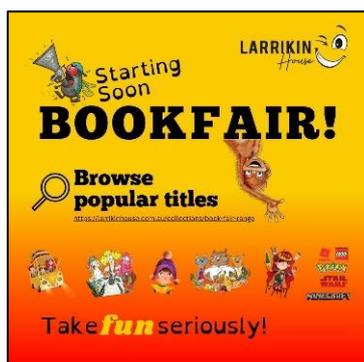

This year's Children's Book Week celebration will run from Saturday 16 to Saturday 23 August.

The 2025 theme is  
**'Book an Adventure!'**

2025 is also a milestone year for us as we celebrate 80 years of Children's Book Week! For 8 decades, Children's Book Council of Australia has been dedicated to inspiring young minds to journey through the countless worlds that books offer; time, lands, and imagination. We look forward to continuing this mission for the next 80 years and beyond!

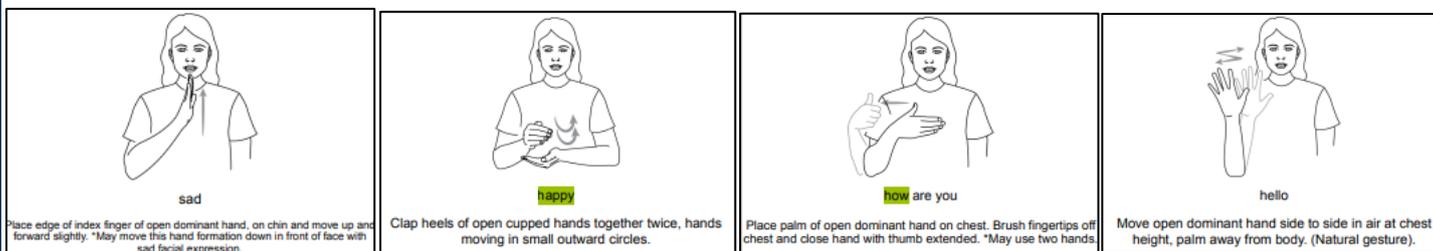

Creaney PS and ESC will be celebrating book week with our annual Bookfair and book character dress up parade on Monday 18<sup>th</sup> August, get your favourite character costumes ready!

Monday 11<sup>th</sup> August - Friday 15<sup>th</sup> August in the school library.  
Sales/Browsing 8am and 3pm daily.  
No cash will be accepted

## Key Word Sign

Our Key Word Signs for this fortnight are: Hello, How are you?, Happy, Sad.

## CANTEEN:

Opening days - **Monday, Thursday and Friday**

We are always looking for volunteers in the canteen. If anyone would like to volunteer on Mondays, Thursdays or Friday please contact us via email at [pccreaney@gmail.com](mailto:pccreaney@gmail.com). All help is much appreciated and keeps the canteen running.

## Suspicious Activity

If you notice any suspicious activity on school grounds after school is closed, please contact Security on 9264 4771 or the Police on 131 444.
