Wheelie Fun Course – Gold coin donation and Halloween Dress Up

Next Friday 31 October is our 'Wheelie Fun Course' day to celebrate Bike Month!. Classes will have a chance to take part in a fun obstacle course with some sensory stations and drawing then finishing up with a snacks and water station. Students can dress up as their favourite spooky character for Halloween or just wear something colourful for a gold coin donation.

CREANEY ESC'S HALLOWEEN WHEELIE FUN OBSTACLE COURSE

Halloween is so much fun – I can't wait to dress up on Friday.

Yes, I think it is going to be 'Wheelie' fun!!!

Don't forget to wear your best Halloween costume & bring a gold coin donation for our Y6 Fundraising.

Wheelie Fun Course

Date: 31st October 2025
Time: Starting at 9am
Location: Creaney ESC

Wear your best Halloween costumes for our Wheelie Fun Obstacle Course.
Gold coin donation 🍀

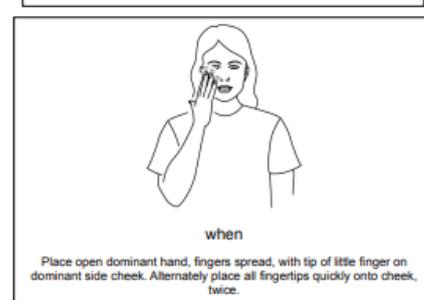

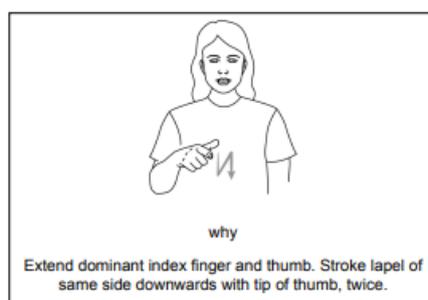

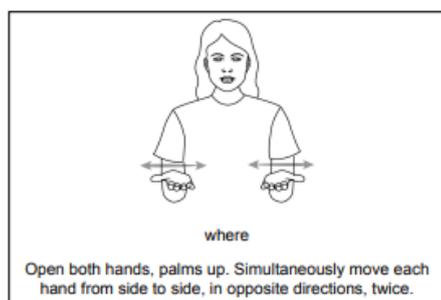

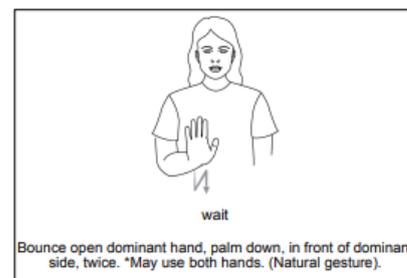

World Teachers Day

Next Friday 31st we celebrate our amazing teachers. Each day, they spark curiosity, nurture confidence, and inspire our students to reach their full potential. Their patience, creativity, and dedication make our classrooms places of growth and belonging.

To all our teachers: thank you for the countless ways you make a difference — in every lesson taught, every smile shared, and every child encouraged to believe in themselves. You are all appreciated so much.

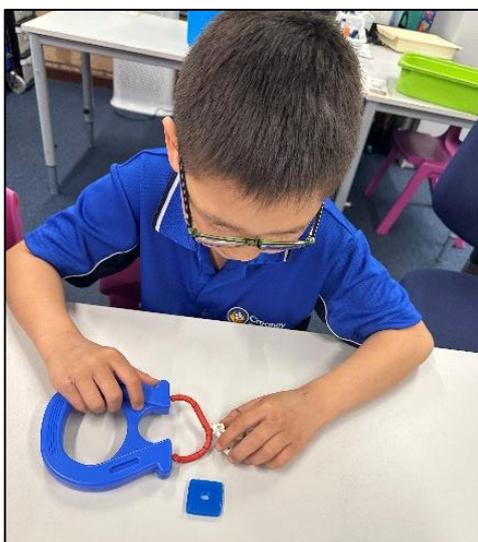

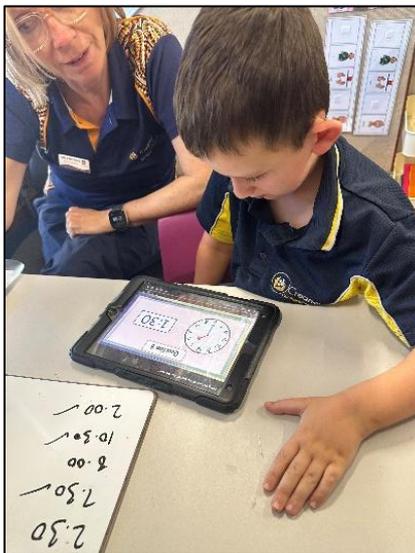

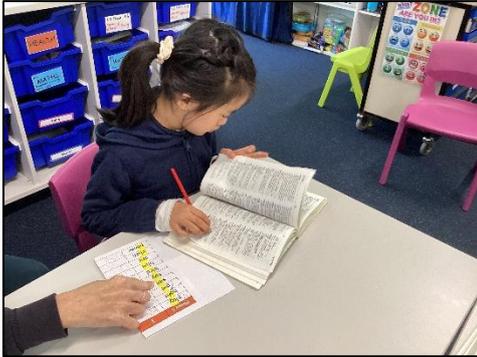

Key Word Sign

Our Key Word Signs for this fortnight are: Wait, Where, When, Why.

C7

Term 4 sees C7 continue to have fun whilst building on the skills they have developed throughout the year. We have been working on interaction with our peers, magnetic forces and using a dictionary. As the photo's show we are nailing it!

Chaplains Chat

We can't believe how quickly Term 3 flew by! It was fantastic to see the enthusiasm and energy everyone brought to the incursions and the Faction Carnivals. Such a great effort all around.

Looking ahead, we're excited for *Outdoor Classroom Day* on **Thursday, 6th November**. It's always a wonderful opportunity for students to connect with nature and enjoy learning in a different environment.

A quick reminder that we're fortunate to have **bread available each week**, along with **extra dry pantry items** for anyone who needs them, please don't hesitate to reach out.

Crunch & Sip continues in classrooms and remains a great way for students to refuel with a healthy fruit or veggie snack and some water. It's especially important as the weather warms up, helping students stay focused and hydrated throughout the day.

Term 4 can be a particularly busy and sometimes stressful time for families. Please remember to take a moment for yourself when you can. Fill your bucket, look after your wellbeing, and know that we're all in this together.

Wishing everyone a positive and productive term ahead!

Creaney ESC Site upgrades

You may have noticed a fresh new look to our reception entrance. We think our smart, new door mat looks fabulous and many students have already told us they have seen something new whilst they visited the office. We are also awaiting the installation of brand-new shade sails to cover a good portion of the playground, just in time for the warmer weather that (hopefully!) should be arriving soon.

Free online Triple P Parenting Workshops

What are the workshops about?

We are offering free, live online workshops to help parents and carers support their children. Most workshops are part of the **Triple P – Positive Parenting Program**, which gives simple ideas to help children learn skills, behave well, and feel confident. Some workshops may focus on other topics to support families.

Scan the QR code or [click here](#) to register. You will receive a confirmation email with a Webex link and reminder before the session.

Note: Webinars are live and not recorded. For the best experience, we recommend downloading the [Webex app](#) before the session.

You can register for a range of free face-to-face, live online, or self-paced parenting programs via the [Department of Education WA](#) website: <https://www.education.wa.edu.au/triple-p>.

Voluntary Contributions and Charges

Voluntary Contributions for 2025 are \$60.00 per child. Thank you to all the families who have paid to date. This money supplements our school programs and assists us to offer a broader range of learning experiences and resources for students. Charges differ from voluntary contributions as they relate directly to items such as swimming lessons, excursions, uniform etc.

Please note: Payment of charges is compulsory. We will be sending home a statement to families who still have outstanding balances for charges. Could you please pay these charges at your earliest convenience into the bank account below, alternatively please contact Brooke McKenna if you require a payment plan. Brooke.mckenna@education.wa.edu.au

Voluntary Contributions and incurred Charges can be paid by bank transfer:

CONSTABLE CARE FOUNDATION | TADWA Technology for Ageing & Disability

Ride, Explore and Roar!

An inclusive road safety adventure for kids of all abilities

- Road safety experience in a realistic environment
- Scavenger hunt with prizes
- Stickers, certificates and photos
- Meet police car, fire truck and Constable Care mascots
- Coffee truck and ice cream van on site for refreshments

Join us for a day of fun, learning and inclusive cycling!

In collaboration with Constable Care, this event offers a safe and engaging environment for children with disability to learn how to navigate real-world road scenarios, from traffic lights and intersections to train stations and school zones.

TADWA will be there with our amazing range of modified trikes, specially designed with postural supports and rear steering so everyone can join in the fun, no matter their ability. Four fun-filled sessions:

9:00am - 10:30am	10:30am - 12:00pm	12:00pm - 1:30pm	1:30pm - 3:00pm
------------------	-------------------	------------------	-----------------

Saturday 25 October 2025 | 9:00am - 3:00pm
Constable Care Safety School, Maylands

Djilba

Djilba is the season from August to September. It is the time of the second rains. During this season, the days begin to become warmer and the nights are still cooler, but the rain is slowing. The people collected plant roots and hunted emu, kangaroo, possums and bandicoot. This is the start of the massive flowering explosion that happens in the South West. This starts with the yellow flowering plants such as the Acacias. Also colours that are around at this time of year are creams, combined with some vivid and striking blues.
