Class lists and Booklists

It's that time of year again when we will be sending home a bundle of information regarding 2026. In the pack you will find, your child's class list, parent handbook which is a fabulous source of information for all things you need to know (including information about therapy applications for 2026), 2026 Booklist, and the Contributions and Charges for 2026.

Teachers will also be collating all extra stationery that your child has left over from this year, which will be returned to you along with your information pack on Monday 1 December.

Year 6 Graduation

Parents of Year 6 students, please note that the ESC Graduation Ceremony will be held at 9:30am on Thursday 11th December. There is a shared morning tea for the graduating students and their families in the staffroom following the ceremony so please do plan to stay around for this.

Compass

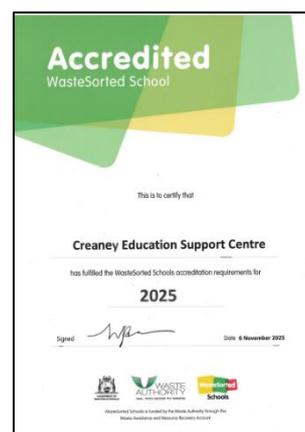

We are heading into phase 2 of Compass being our main computer software for our school. Some parents may already be familiar with this program. An email invite has been sent out to all parents with a personal log in link. Please do let us know if you are experiencing difficulties with the log in process. Compass is a new and on-going learning journey for us, so please be patient whilst we navigate our way through setting this up to work the best way for you, as parents, and us as a school. There are sure to be a few teething issues along the way!

Waste Wise Accreditation

Creaney Education Centre is proud to announce that we have been accredited as a Waste Wise School!

This term, we successfully met all the requirements to achieve this accreditation, which recognises our ongoing efforts to reduce and recover waste while fostering positive environmental values and long-term sustainable behaviours within our school community.

Watch this space—there's even more to come next year as we continue our Waste Sorted journey!

Lego League

This term, two teams from Creaney ESC proudly represented our school at the Lego League Competition. One team was supported by Mrs Turner, Ms Nutchey & Mrs Whitehead with select students from C7 and C1, and the other was supported by Mr Grogan, Ms Hutson & Mrs Ellis with students from C3 and C4.

Both teams performed exceptionally on the day, receiving awards for Innovation and Solution, recognising their creativity, teamwork, and problem-solving during the challenge.

A special congratulations to Mason, who received an award for the *Best Astronaut Rescue Plan*, and to Orlando, who was recognised for his *amazing house build using Duplo*.

It is always a wonderful experience seeing our students share their creations, work alongside others, and observe what students from other schools are designing. We are extremely proud of all students for their hard work and enthusiasm.

Outdoor classroom day

On Thursday 6 November we took part in Outdoor Classroom Day. This is always a favourite time of the year, and all of our classes had a lesson outside in the sunshine and fresh air. We all thoroughly enjoyed the day.

Children's Christmas Party 2025

The party is coming up next Saturday 29 November, from 10:30am to 2:00 pm, in the Perth Convention Centre. QR code invites have already been sent out to those parents who have expressed an interest to register for a ticket, please check your junk/spam folder if you have registered but not received the email. The invite was sent from invites@invites.sccpau.com.au.

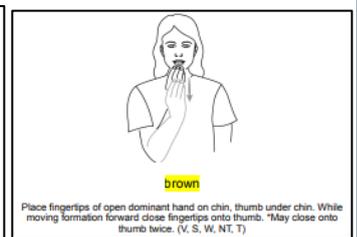

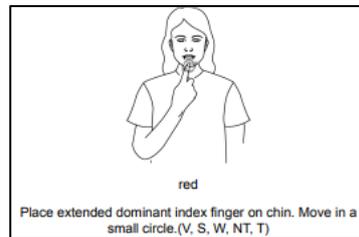

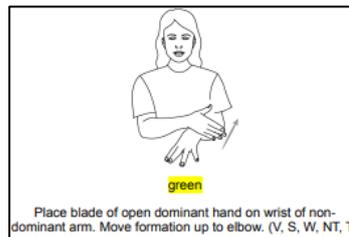

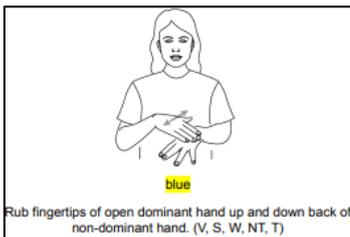

If you have not registered your child for the party and you would like to, please email me asap, tracy.clarke@education.wa.edu.au and I will send through the expression of interest for you.

Eligibility to attend:

- Age 3 to 12 years of age (inclusive)
- [Be eligible for the NDIS](#) - **Does not need to be receiving NDIS to register.** The reference to NDIS is just a guideline to help define inclusion, but it's not a strict requirement. If your child has additional needs or circumstances where they might otherwise miss out, they're welcome to attend.
