Olivia
Meakes

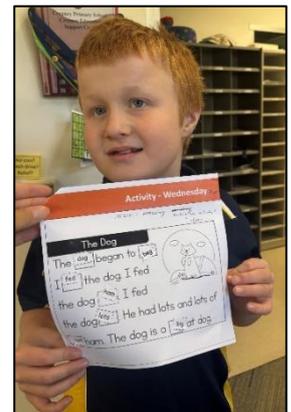

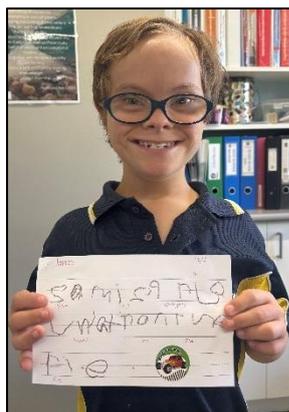

Sonny
Saily

Fiona
Castledine

Good Workers

More super workers showing off their fantastic writing activities. Well done, James, Matthew and Oli. You rock!

Room 2 News

Room 2 has had a fantastic start to the new school year, settling into routines and becoming familiar with our learning spaces. It has been wonderful to see students growing in confidence and enthusiasm as they explore new activities and environments together.

One of the highlights has been bike riding, with both students and staff enjoying time outdoors together. Students have loved having the chance to explore the space on bikes, practise taking turns, and become more comfortable with the routine of riding safely.

We have also been spending time in the ESC playground, where students have been learning how to safely and confidently use the slide and swings. In addition, we have been exploring the nature play area, where students have enjoyed hands-on sensory experiences and connecting with the outdoor environment. From digging and exploring to getting wonderfully muddy, it has been a joyful space for creativity, curiosity, and active play.

It has been a busy and exciting start to the year, filled with outdoor adventures, new skills, and lots of happy moments.

Ms Ferreira

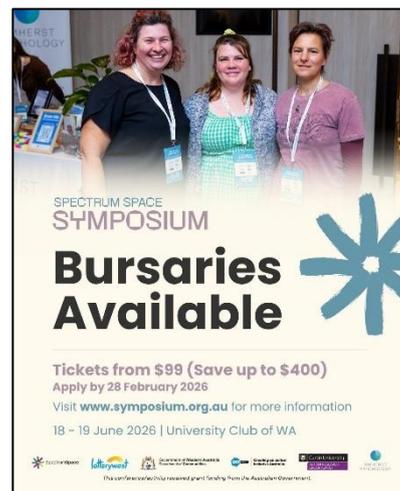

Spectrum Space Symposium – Bursaries Available

Spectrum Space is hosting its annual Spectrum Space Symposium on 18–19 June 2026 at the University Club of Western Australia. This two-day event brings together autistic individuals, families, educators, researchers, and professionals for learning, connection, and community.

Financial circumstances can sometimes be a barrier to attending events like these, and thanks to the generous support of Lotterywest, bursaries are available to support autistic individuals, parents and carers who would like to attend, reducing the ticket price to \$99. If you've received a bursary before, you're welcome to apply again. Bursaries applications close 28 February.

Learn more or apply for a bursary 🖱️ www.symposium.org.au/bursary

Full Symposium details: 🖱️ www.symposium.org.au

🎉 Cahoots Festival of Fun – Free Inclusive Community Event 🎉

Cahoots is a not-for-profit, NDIS-registered provider creating inclusive opportunities and delivering day supports and overnight supports for children and young people living with disability or other exceptional challenges across Western Australia. For over 40 years, Cahoots has supported families through meaningful social and recreational services that promote connection, wellbeing, and community participation. ❤️

On Saturday 2 May 2026, Cahoots is hosting the Festival of Fun, a FREE inclusive event for families, participants, and community members. The festival is designed to celebrate community, encourage social connection, and provide accessible activities for people of all abilities in a safe and welcoming environment.

📅 Event Details:

- Date: Saturday 2 May 2026
- Time: 10:00am – 2:00pm
- Location: Cahoots Adventure Camp, 100 Kirby Road, Bullsbrook 📍

Families, participants, and support networks are warmly invited to attend and enjoy a range of inclusive activities and entertainment throughout the day. 🎨🤝

Please note that while the event is free, **registration is essential via Humanitix:** 📄

Creaney Education Support Centre have successfully achieved accreditation as a **Wastesorted School for 2026**

The Wastesorted Schools Program is designed to promote responsible waste management behaviours, with a strong focus on waste avoidance and resource recovery. By participating in the program, schools help reduce landfill waste, encouraging to reduce, recycle and reuse.

We have lots of wonderful ideas to help us on our Waste management journey.....watch this space to see where it leads us.

Triple P Free On-line Parent Workshops

Free online workshops for parents

Term 1, 2026. Please see the attached flyer on Compass

Principals Pen

I can't believe we are at the end of week 4 already. It has been wonderful spending time in all classes and seeing the way all of the students have settled into their new environments and are focussed on their learning already.

We are very pleased to have the access to the new Compass Connect add on, and I know parents and teachers have all commented on how valuable it is to be able to have a quick message between home and school. Thank you to everyone who has been using this already, and if you have not yet, come and see me and we can ensure everyone is getting maximum benefit out of app.

We are looking forward to the upcoming swimming lessons, and hopefully you have all returned your documents and permissions for this already. We do employ a lot of additional staffing and put a lot of resourcing to ensure this program can go ahead as it is such a great opportunity for the children.

The 2026-2028 School Business Plan has been printed and is officially being implemented across the school. I want to thank all of the parents who contributed to the formation of the Business Plan in some way, and we are excited to apply the priority areas across the school. I will be holding a 'Coffee Catch Up' later on this term where I will share the new Plan and answer any questions people may have about the Plan or the school in general. Keep an eye out for more information about this.

Student Update Information and Medical Forms

Thank you to the families that have already returned these forms. Please ensure you have made any amendments, so we are able to update your child's information on our school system.

Please contact Tracy or Kris if you have any questions about these forms.

Voluntary Fees and Charges

Thank you to those parents who have already paid for their voluntary contributions and charges through Campion when purchasing your child's personal items. Payments can still be made by direct deposit into our school account. Please include your child's surname and reason for payment in the reference line.

Creaney Education Support Centre **BSB: 016 495 Account No:1989 26107**

The poster features the Football Futures Foundation logo at the top left, the Hamersley Rovers Junior FC crest at the top right, and a central image of a young girl in a soccer uniform celebrating. The text reads: "i-League all abilities SOCCER at Hamersley Rovers Junior FC". Below this, it states: "Suitable for children with disability, developmental delays and other barriers that may hinder them from accessing mainstream football." A yellow banner says "club-based program". At the bottom right, a yellow circle says "Suitable for players aged 7-13". At the bottom, it provides contact information: "Contact Zoe at 0481 230 268 or registrar@hrjfc.com.au".

Suspicious Activity

If you notice any suspicious activity on school grounds after school is closed, please contact Security on 9264 4771 or the Police on 131 444.

The graphic has a colorful, abstract background. The title "Bunuru" is centered at the top. Below it, the text reads: "Bunuru is the season from February to March. It is the second summer and the hottest part of the year in the Noongar people's land. The flowering white gum and the arrival of salmon marks the beginning of Bunuru. This is the time when berries were collected as well as flowers, seeds and roots. Noongar people used bulbs for spices and flowers for food or making drinks. Fish, frogs, tortoises and possums were also eaten."
